

VALY GROUP

The Valy group has been trading in rubber for over 3 decades. The Rubber division of the group is vertically integrated, right from plantations to finished products that are exported around the world.

It is an enterprise that has pioneered techniques and processes and has evolved into a key industry player.

CONTINENTAL COMMODITIES (P) LTD

Total Quality In Natural Rubber Supplies

Focuses on purchasing and trading in natural rubber nationally and internationally.

As purchasing agents, we negotiate, inspect, grade quality, store and despatch natural rubber to our clients around the world.

Over the last three decades we have been suppliers of natural rubber to tire and non tire companies.

we are the purchasing agent for Bridgestone Corporation in India.
